

**TARIFF PICTURES.**

In the city of Cincinnati, average wages of manufactory employees increased from \$3.30 to \$3.50 in 1880 to \$3.50.

In 1880, a decade of protection raised the wages of Cincinnati workers 38 per cent. — *New York Press.*

A LOVELY FAIR.

Binghamton Republican. — Cleveland's Attorney General does not seem to know much more about the law than his Secretary of the Treasury knows about finances.

+

ALL ON PAPER.

St. Louis Globe-Democrat. — Au Ohio paper says there are "fifty Democrats who can defeat McKinley," but there isn't one who has expressed a desire to tackle the job.

+

THIS SIZE.

St. Louis Globe-Democrat. — Governor Alford has been in office long enough to demonstrate that he is by several cubits the smallest man whom Illinois has ever elected to any first-class position.

+

DEMOCRATIC PENSION EXAMINERS.

St. Louis Globe-Democrat. — The chief business of Pension Examiners under the present Administration is to find pretence for keeping money in the Treasury that belongs to Union veterans.

+

DEMOCRATIC MACHINATIONS.

Rockford Democrat and Chronicle. — The flag-hunting demagogues have cut off and condemned Anarchists liberated are Democratic machinations that make every loyal citizen hang his head with shame.

+

FIRE WOOL MEANS DEAR WOOL.

Chicago Inter Ocean. — Secretary Carlisle gives notice that we will have free wool within six months. Mutton will be cheap. Australian wool growers can kill off American sheep and then put the prices to suit themselves.

+

THE DEMOCRATIC IDEA.

New York Press. — "Down with the Stars and Stripes at Honolulu" is the decree of the Democratic Administration at Washington. "Up with the crimson banner of anarchy" is the decree of the Democratic Governor of Illinois.

+

DEMOCRACY AND WHIAT.

Chicago Inter Ocean. — The price of wheat grows weaker day by day but it is nothing to the weakness which will presently show up in the Democratic party. There are indications that it will not have sprung enough left to kick in 1890.

+

NO UNION VETERANS NEED APPY.

St. Louis Globe-Democrat. — There has not yet been a single man appointed to office under the present Administration because of his service in the Union Army, but a good many men have been favored in spite of that claim to political favor.

+

FUTS TAMMY TO BLUSH.

Boston Journal. — It seems to be a never ceasing wonder in Washington that Assistant Secretary Josiah Quincy should turn out to be a spymaster capable of putting Tammy to blush, but it occasions no surprise here. We have known him better in Massachusetts.

+

A CLOSE CONNECTION.

Boston Journal. — It seems to be as evident in the new Congress as in the old that, as a general thing, the loudest shouters for Free-trade are also the loudest shouters for free coinage. There appears to be an intimate connection between economic folly and financial humbug.

+

THE FINANCIERS.

New York Press. — A morning Democratic organ declares that "Mr. Harrison received from the Democratic Administration nearly \$100,000,000 above the legal reserve, and lost it all." "Lost it all" is a Democratic version of a Republican reduction of the National debt.

+

A BURN CHILD, ETC.

St. Louis Globe-Democrat. — If we ever have state bank currency again, that part of the currency coming from Virginia, the Carolinas, Georgia, Florida, Alabama, Mississippi, Louisiana, Tennessee and Arkansas, states which broke faith with their creditors, will be shunned by the rest of the country.

+

LETTING A BARGAIN SLIP.

St. Louis Globe-Democrat. — If Crisp has any regard for the President's good opinion he will quickly muster up courage to declare for the Sherman law's repeal. All future favors in the way of Federal patronage for Democratic members of Congress must be purchased by active hostility to the Silver law.

Wh

WE GET A MERE SONG WHILE YOU GET LOTS.

That is the Way Our Discounts Work It. A Carnival of Opportunities.
A Nimble Nickel Better Than a Dilatory Dime.

In our grand serial and midsummer clearance and slaughter of Spring and Summer Footwear, begun on July 1st, we propose that for Thirty Days we will make a reduction 10 per cent. on all goods, in addition to our already existing and permanent reduction of 25 per cent. below any other house, and on many goods we will make the reduction even greater.

Our stock is at present larger than it ever was at this season and it must go without reserve.

Our mammoth lines are from the best factories direct, and no house on the continent can surpass ours in point of quality. Our varieties are unequalled, from brogan to boots, from boots to slippers.

We guarantee our goods. You cannot afford to miss our sale. It will pay you richly to attend and buy Shoes to put away for future use. Come and let us confirm to you all we have said.
